

MONORAIL BEAM

MONORAIL BEAM

Using the Monorail to
Countdown to Your Walt
Disney World Vacation

1. Cut out the Monorail beam templates.
2. Alternating tracks trace and cut out one beam per day of your countdown.
3. Hole punch the ends of the beams.
4. Connect the beams by stringing ribbon through the hole punches.
5. Cut out the monorail.
6. Adhere Velcro onto the back of the Monorail and onto each of the beams.
7. Print out the castle to place at the end of your track!
